Thank you for your very generous donation of a color printer as well as the discount on our new copier. The copier is fabulous. It is so nice to join this century and be able to scan and email documents. The color printer which you donated is really the frosting on the cake! We don't need color often but when we do it is nice to be able to print in house at the Pantry instead of traveling to Staples!

Your donation makes it possible for us to fulfill our mission of providing food and clothing to those in need on Cape Cod. The Pantry has successfully provided food to people in need throughout Cape Cod and the Islands for over 26 years. In 2014, we provided food and clothing to close to 9,000 individuals and 2,695 of them were children.

The Family Pantry of Cape Cod serves a leadership role in hunger by its partnership with the Greater Boston Food Bank. On 9 days each month the Food Bank brings a couple of tractor trailer loads of food to our Harwich warehouse where it is distributed to 30 Cape pantries. This saves all agencies the time and expense of travel to Boston and is another way we fulfill our mission of providing food and clothing to those in need.

Please use this letter as documentation of your donation on your federal income tax return. The Family Pantry of Cape Cod is a 501(c) (3) nonprofit organization and acknowledges that your donation was a gift and that you did not receive any goods or services.

Thank you again for choosing to support The Family Pantry of Cape Cod in such a generous manner.

Sincerely,

Mary Anderson

Ken.
Thanks so much for moving us into this century! We really appreciate your support.
Happy New Year!
Mark
